

International Training *World Game Practitioner* Switzerland (Muttenz): July 4 – 6, 2026

For whom?

The World Game Training is meant for educational- and health professionals who have experience in guiding, researching and/or diagnosing children and/or adults, in particular the (2E) Gifted.

Location address: Fachhochschule Nordwestschweiz FHNW, FHNW Campus Muttenz
Hofackerstrasse 30, 4132 Muttenz

Registration

Registration can be done via the official registration form on www.worldgamelab.com

July 4: Level I

- Learn the **theory and scientific background** of the World Game
- Learn to identifying **social and emotional aspects** in the World Game
- Learn to identify learning strategies (**visual and/or verbal thinking**) in the World Game
- Build your own village and experience the material yourself
- Learn how to observe and fill in the form
- Including WG material, the official manual and form (digital)

July 5: Level II

- Practical day on which you **test and observe** several students building with the World Game
- Analysing the villages; learning to see what they `tell` you

July 6: Level III:

- Learn to identify the **cognition abilities** in the World Game
- Learn to identify **giftedness** in the World Game with the rubric
- Evaluation and certification
- License `World Game Practitioner` for the duration of the license year*

The training will be held in English but help for the translation in German is on place. The forms and manual will be available in English and in German.

Price € 2.100,- per person (no VAT). **Early bird price until May 1st is € 1.800,-**

Including:

- The World Game material
- The official manual of the World Game
- The official (digital) forms
- Authority to purchase and work with the World Game
- License* *World Game Practitioner* until the July 31st the next year

About the license:

***License `World Game Practitioner`**

The successful completion of the World Game Training I, II, III entitles you to the license `World Game Practitioner` until July 31st the next year.

This license gives you the right to:

- affiliation with the international `World Game Practitioner`
- the right to (online) feedback on built villages
- using the official logo with year indication `World Game Practitioner` on your website
- be listed as `World Game Practitioner` on the website www.worldgamelab.com
- receiving the private *World Game Practitioner* Newsletter

Renewal of the license

A license year runs from August 1 to July 31 of the following calendar year. Every year on August 1 the license archive will be updated. Renewal of this license is optional and is done by paying € 175,- before July 15th. The invoice will be sent end of May by email.

If you do not renew your license, you will be deregistered from our database and lose the license rights as described above. You still can work with the World Game of course, but you are no longer affiliated and involved in new developments.
